Big News! We are celebrating our 15th anniversary! *“When I started this company, a lot of people laughed at me and said that there is no need for this type of service. Well, I am happy to report that we have weathered many storms, overcome some major challenges and I am proud of how our team has held together. As most of us have backgrounds in media sales, I think that our consultant type approach has brought excellent results for our clients due to the level of service we provide. I look forward to our next 15 now that we have proven our worth!”* quoted Laurie Kahn, founder.

To help celebrate this event, the first 15 companies that sign-up for full searches between now and February 29th, will receive 15% off! Just our way of saying thanks for helping us reach this milestone.
*limit of 3 searches per company.

We have gone Virtual! On the eve of our 15th Anniversary, we have successfully completed the transition to a totally virtual office community.

Our staff is growing! Denise McDermott joins our team as a Recruiter / New Business Developer - she is the newest addition to a long line of multi-taskers here at MSN. Denise brings a wealth of experience from the TV industry - which will assist our team in reaching a broader base of candidates. For more information on Denise, please visit our website.
